Re: CG Docket No. 03-123, CPNI Certification

Dear Ms. Wilson:

I am writing on behalf of the Maine Telecommunications Relay Service Council to certify compliance with the FCC's rules governing CPNI, 47 C.F.R. § 64.5101 et seq. The State of Maine currently contracts with Hamilton Relay for its telecommunication relay service needs. Hamilton Relay has established operating procedures that are adequate to ensure compliance with the FCC rules governing CPNI, as set forth in the company's annual filing. There has been no instance in the past year in which Hamilton Relay, its agents or subcontractors have used, disclosed or permitted access to CPNI without complying with the approval procedures set forth in the FCC rules.

For additional information, please feel free to contact me (207-766-7148 - VRS).

Respectfully submitted,

A handwritten signature in black ink that reads "William H. Nye".

William Nye Chair,
Maine TRS Council
